Good vibes only at Lokalture3.0

Super thrilled by the support from the public on the thrift business! The LOKALTURE3.0 by Lokalwave attracted many young adults, couples, and families shopping for unbelievable bargains, second-hand treasures, preloved apparels, handcrafted desserts & drinks and special tattoo services at Level G, The School.

We are excited to bring about more fruitful events for the community so stay tuned for more wholesome fun in Jaya One!
