A CURATED SERIES OF ARTISAN POP-UP SHOPS

CELEBRATING LOCAL ARTISANS AND SUPPORTING SMALL BUSINESSES!

It was an amazing weekend with the Shop & Hop Bazaar 2.0 by Unicorn Bazaar KL at Level G The School, where young adults and families with kids got to check out a range of local products including handmade soap, hair care products, henna art, tattoo services, bakes, and more.

While the Bazaar Bustle Pop-Up Market at Level G The Square drew in a supportive pet community to visit local businesses selling pet treats, pet harness, pet collars, premixed sangria, macrame decor, and more!
