

A Star Wars celebration with Mando Mayhem!

A fan-led celebration that showcased the breadth of the Star Wars saga.

It was an amazing weekend celebrating the cultural phenomenon of Star Wars with the Star Wars Malaysia Fan Club (SWMFC) on 20-21 May 2023. Plenty of cosplayers, of all ages, can be seen enjoying themselves in full-costumed regalia.

Families and young adults were seen visiting the merchandise booths, getting some live caricatures, and letting out their inner child clashing lightsabers against each other. See you next round! May the force be with us!
