BONDING

A paradise for pet lovers & owners!

The Pet Bazaar & Adoption Drive by Second Chance Animal Society attracted many pet lovers and keen adopters to experience the joy of cuddling with cats and puppies who are up for adoption at Level G, The Square.

In line with that, visitors with pets got to bond and have a good time with their pets whilst checking out a range of vendors selling pet treats, popsicles, pet drawing services, pet photography services, shepherd's pie, harnesses, pet toys, and pet accessories.
