

A Wonderful Cocktail Night with Hello Tipsy Bazaar!

A gathering of Cocktail & Tattoo enthusiasts

It was an amazing weekend with Hello Tipsy Bazaar by Hello Bazaar - providing customers with a unique experience of customized cocktails, alcohol-infused soda drinks, alcohol-scented candles, craft beer, imported wine, Sarawakian Tuak, Japanese fried chicken, brownies & congo bars.

Visitors were also able to get their machine & hand-poked tattoo flashes that are beautifully delicate done right on the spot.
