

# Back To Classic Thematic Bazaar

## Good Support for Small Local Businesses!

What an amazing time with a thematic back-to-80s bazaar by Genesis Asia Event at Level G, The School featuring vintage collectibles, thrift treasures, pretty accessories, luxury perfumes, kids' games, yummy desserts, and more offerings from local vendors!

There will be more great events for the community this March so stay tuned for more exciting activities in Jaya One!

Sincerely,  
Marketing & Communications Dept
