## A Joyous Easter Celebration

The Easter Eggsplorer Fest by Jaya One, in collaboration with NOKO, Bros ZOO, SomethingFishy33, Hands On Crafts & 乐 Lè, was an absolute blast, with over 100 kids participating at Level G, The School!

Families and their kids had a fantastic time enjoying the Egg-stravagant Station Games, including Scoop the fish, Petting zoo, Rabbit & ladder, Easter egg bowling, Bunny ears ring toss, Feed the bunny, Stick the tail, Pet rock painting, DIY shrink plastic keychain, Bookmark making, and more! Kids also joined the Coloring contest by NOKO, adding to the event's excitement and vibrancy.

We're looking forward to seeing you all again next year for another egg-citing and fun-filled time with your families and kids!
